

OFFICE OF THE CITY MANAGER

June 17, 2016

**TO:** Honorable Mayor and City Council  
**FROM:** Alan Tandy, City Manager <sup>AT</sup>  
**SUBJECT:** General Information

---

**Notable Items**

- Good news! The City has been notified that the Southern San Joaquin Branch of the American Society of Civil Engineers has selected the State Route 178/Morning Drive Interchange Project as the Transportation Project for 2016. The award will be presented at the Chapter's annual banquet in September.

The project replaced an at-grade T-intersection with a grade separated full-access interchange and extended the four-lane freeway eastward for a distance of nearly two miles. The project also widened Morning Drive to three lanes in each direction and extended the roadway south of the freeway. Congratulations to all of those who participated in this important project in northeast Bakersfield.

- Our office received a formal notice this week that Bright House Networks has been acquired by Charter Communications. Over the coming months, it is anticipated that Charter's "Spectrum" products will be rolled out in the Bakersfield area. As part of this transition, we also anticipate there may be changes to signage and other branding components of the City's existing naming rights agreement at the Amphitheatre. We expect more details will be forthcoming over the next few months. Please see the attachment for additional information.

- The San Joaquin Joint Powers Authority held a press conference today at the Amtrak Station to inaugurate its 7<sup>th</sup> daily roundtrip between Bakersfield and Oakland. This expansion makes traveling more convenient for passengers to travel between the Bay Area, San Joaquin Valley cities, and other destinations throughout California.
- We recently purchased and received a new anti-graffiti truck into our fleet. This vehicle will be put into service shortly to replace an older truck that was past its useful life. Some new features on this vehicle include additional LED spotlights to increase visibility during service calls; a generator system that is quieter and more reliable; and a back-up/reverse camera system, which increases safety.

### **Traffic and other Road Advisories**

- *Upcoming Nighttime Ramp Closures on State Route 58*

Paving and striping work will require nighttime ramp closures at the State Route 58 Union Avenue and H Street/Chester Avenue interchanges for tonight and Sunday night through Tuesday night next week.

On Sunday night paving work will require closures for the eastbound State Route 58 to H Street off-ramp and the westbound State Route 58 to Chester Avenue off-ramp between the hours of 9:00 p.m. and 5:00 a.m. Motorists can exit the freeway at Union Avenue during these closures.

On Monday and Tuesday, the contractor plans to stripe these newly paved areas and move temporary concrete barrier rail during nighttime hours. Motorists are advised to stay alert while traveling through these areas and watch for short-term ramp and lane closures at these interchanges.

- *Traffic Control Continues for State Route 178 Widening*

Traffic control will continue for the next two weeks along State Route 178, between Valley Street and Miramonte Drive, while the contractor for the State Route 178 Widening Project places aggregate base and prepares to pave a new section of widened roadway on the north side of the highway.

Flagging personnel will stop traffic intermittently between the hours of 8:00 a.m. and 4:00 p.m. to allow trucks to enter and exit the work zone. Both directions of travel will be affected, and traffic may be stopped up to 10 minutes at a time. In addition, the traffic signal at State Route 178 and Canteria Drive will remain on flashing red next week. This will affect all directions of traffic at this intersection.

Mr. Alan Tandy  
City Manager  
City of Bakersfield  
1600 Truxtun Ave., 5th Floor  
Bakersfield, CA 93301

Dear Mr. Tandy:

As part of a national transaction, Charter Communications, Inc. ("Charter") combined with Time Warner Cable Inc. ("TWC") and Bright House Networks, LLC ("BHN") into a single company, "New Charter." Prior to the close of the transaction, the entity that held the cable franchise in your community was an indirect, wholly owned subsidiary of BHN. Upon completing the merger on May 18, 2016, your cable franchisee is now an indirect, wholly owned subsidiary of New Charter. New Charter has assumed the name Charter Communications, Inc.

Charter markets its products and services under the brand name "Spectrum." In the coming weeks and months, you will learn more about Charter and its Spectrum services. Spectrum is the fastest-growing TV, Internet, and Voice provider in the United States, serving more than 24 million customers nationwide in 41 states across the country. As the second largest cable company in America, we have over 90,000 employees working every day to deliver the highest-quality products, more value, and better service to our customers. Charter is well known for its customer-focused and friendly operational practices, network investment, and product and pricing strategies.

While ultimate ownership and control of your cable franchisee has changed, the actual entity that holds the cable franchise in your community remains the same and no further action is required on your part. All of us at Charter are excited about serving your community and we look forward to working with you closely in the future to bring many new service enhancements to your residents. If you have any questions please give me a call at (661) 634-2228 or send an email to me at [colleen.dillaway@charter.com](mailto:colleen.dillaway@charter.com). Thank you.

Sincerely,

Colleen Dillaway  
Senior Director, State Government Affairs

- Soccer Program: 14 Registered Teams / Total Attendance: **1,120**
- Total Revenue: **\$3,606**

#### **Aquatics**

- Overall Aquatic Attendance:
  - Total attendance for Aquatics was **6,087** compared to 2015 of **8,639**. Total attendance for Aquatics decreased by **29.5%** compared to May 2015 due to the following:
    - Replaced the First 5 Kern Make A Splash classroom presentations with community parent presentations in this year's grant.
    - With the high schools using City pools for their swim teams, Bakersfield Swim Academy moved to Seven Oaks Pool because they could no longer practice from 4:00 pm – 6:00 pm.

- Due to this year's calendar, there were no high school swim meets in May this year compared to 2 last year and the First Day of Swim Lesson Registration was held on April 29th instead of May 1st last year.
- Aquatic Summer Staff Orientation is scheduled for June 4th & 5th this year compared to May 30 & 31 in 2015.

#### **McMurtrey Aquatic Center:**

- Monthly attendance at the McMurtrey Aquatic Center was **3,854** compared to last year's **5,453**. This decrease was due to the reasons stated above. Attendance for the month was up in Lap Swimming, High School Swim Teams, Deep Water Interval Classes, Scuba and the Operation Splash Event.

#### **100 Mile Club**

- The 100 mile lap swim club is currently made up of 410 active members that swam 14,844.22 miles this month. The club has swum a combined total of 160,342 miles.

#### **Water Safety Instructor Courses**

- A Water Safety Instructor course was conducted this month by our Aquatic Trainers with 35 participants. Each of the Lifeguards passed the course and were hired to work this summer.

#### **Jefferson Pool**

- High school swim team attendance at Jefferson Pool for the month of May totaled 604.

#### **Silver Creek Pool**

- High school swim team attendance at Silver Creek Pool for the month of May was 1,539.

#### **Make A Splash Program**

- The Make A Splash drowning prevention program completed all the 2015-2016 target goals for the First 5 Kern Grant. Staff also presented this month to 3 community parent groups information on water safety. The First 5 Kern Make A Splash Grant's 525 discounted \$5.00 swim lessons for children 0 to 5 years are filled for the summer.

#### **Operation Splash Event**

- The kick-off event for the Operation Splash Grant from Kaiser Permanente was held on Monday, May 30th at the McMurtrey Aquatic Center from 1:00 to 4:00 pm. There were 596 people attending this event and they enjoyed the pools, slides, and tried the different infused water flavors. Participants played games at the Water Safety and Rethink Your Drink booths and had a chance to win prizes as they learned about making good healthy choices.

**Donation Total: \$5,072.00**

## Athletics

- Total Attendance:
  - Adult, Youth, Fitness and Adaptive Programs total attendance for the month of May was **29,318** as compared to last year's total of **21,607**. Monthly attendance increased by **36%** as compared to the same time last year. The increase in attendance is attributed to the following schedule changes:
    - A large number of rainouts during the Spring Softball League caused more games to be played in May.
    - League of Dreams T-Ball season started later; which increased attendance in May.

### Athletic Programming:

#### Adult Softball

- The Spring Softball League ended on June 2<sup>nd</sup> with 27 divisions receiving 1<sup>st</sup> and 2<sup>nd</sup> place trophies and championship t-shirts for the 1<sup>st</sup> place teams. Two divisions held championship games to determine first and second place.
- Thanks again to Kern Trophy for donating all 54 trophies for the Spring League at a value of \$1,890.
- There are 142 teams in the Summer League with 90 Men's teams, and 52 Coed.

#### Softball Tournaments

- The Bakersfield Association of Realtors held a tournament at Mesa Marin on May 21<sup>st</sup> with 12 teams participating.

#### Pee Wee T-Ball and T-Ball League

- Pee Wee and T-Ball Leagues continued playing games on Saturdays at Silver Creek.
- There are 35 volunteer coaches working in this program that donated 245 hours coaching in May.

### Adaptive Programming:

#### League of Dreams-Adaptive T-ball

- League of Dreams did not have to charge anyone to participate in t-ball this year due to their fund raising efforts.
- League of Dreams completed their league on Sunday, May 15<sup>th</sup> with a special awards ceremony. All 276 players received a trophy and the 373 "Angel Volunteers" were recognized for volunteering their time for this special league.

**Donation Total: \$14,984**

### Dr. Martin Luther King, Jr. Community Center

- Total Attendance:
  - Overall attendance for the month was **4,240** as opposed to last year's total of **3,012**. Attendance at the center was up **40%** from last May due to the additional snack program and an overall increase in attendance for our morning and evening weight room and basketball gym.

### Healthy Living

- The center has obtained a \$15,000 Healthy Living grant from NRPA and Walmart. Staff is planning activities for the community with the funds.

*We enhance the quality of life through a variety of programs, parks, and partnerships.*
