

OFFICE OF THE CITY MANAGER

June 24, 2016

TO: Honorable Mayor and City Council
FROM: Alan Tandy, City Manager ^{AT}
SUBJECT: General Information

Notable Items

- The Bakersfield Fire Department (BFD) is providing mutual aid to the “Erskine Fire” burning in the Lake Isabella area of Kern County, with additional resources on standby. At this moment, the BFD will deploy one Type 2 Fire Engine, four Type 3 Fire Engines, one Assistant Strike Team Leader, and one Agency Representative. BFD resources will join 350 Firefighters and support personnel already engaged at the incident.

The fire is currently estimated at 8,000 acres. Approximately 100 structures have been lost and 1,500 additional structures are threatened. Heat, steep and rugged terrain, wind, and a fast moving fire are all challenges facing Firefighters. Today there will be six air-tankers, including a Very Large Air Tanker, and seven helicopters operating on the fire.

- The California Public Utilities Commission will be holding Public Participation Hearings on PG&E’s application to increase rates and charges for electric and gas service effective January 1, 2017. The hearings will be held at the

Bakersfield City Council Chambers (1600 Truxtun Avenue) on Monday, July 11, 2016, at 1:00 p.m. and 6:00 p.m. Please see the attachment for additional information.

- As a reminder, the City will be providing a free July 4th Community Celebration for the residents of Bakersfield thanks to the very generous donations from the following sponsors:

○ Sunshine metal Clad	\$10,000
○ KS Industries	\$10,000
○ Cal Water	\$10,000
○ SoCal Gas	\$ 5,000
○ PG&E	\$ 5,000
○ Nissan of Bakersfield	\$ 2,500
○ Haddad Dodge	\$ 2,500
○ Kern Refuse	\$ 2,500
○ Tejon Ranch	\$ 2,500
○ E&B Natural Resources	\$ 2,500
○ California Independent Petroleum Association	\$ 2,500
	Total: \$55,000

Also, thanks are due to the City Council, City staff, and AEG for collaborating to raise funds for the Community Celebration. The event will be located at The Park at Riverwalk and Bright House Networks Amphitheater. The festivities will begin with patriotic music at 6:00 p.m., followed by Foster Campbell and friends on stage with family friendly music at 7:00 p.m. Finally, the fireworks show will get underway at 9:00 p.m.

- We are making great strides in developing the Bakersfield Youth Commission, which empowers and engages local youth in having a voice on relevant issues pertaining to City policies, programs, and projects. While we have a healthy applicant pool for most Wards, we are still looking for additional high school students living in Wards 1 and 6. If you know any high school students who may be interested, please have them call 326-3751 or email youth@bakersfieldcity.us.
- The Jehovah's Witnesses Watchtower Convention returns to the Rabobank Arena this weekend. This is the largest group that meets in Bakersfield, and local hotels and restaurants will be busy. This year, the group increased the number of its Bakersfield conventions from six to seven events. The dates of the remaining events are July 1-3, July 22-24, July 29-31, August 5-7, and August 12-14.

Traffic and other Road Advisories

➤ *Nighttime Ramp and Lane Closures Scheduled for State Route 58*

Motorists traveling during nighttime hours on State Route 58, between State Route 99 and Cottonwood Road, should stay alert to potential lane and ramp closures, Sunday through Thursday, between the hours of 9:00 p.m. and 5:00 a.m.

Striping activities at the Union Avenue and H Street/Chester Avenue interchanges have been rescheduled to Wednesday night, June 29th and Thursday night, June 30th. The contractor also plans to move temporary concrete barrier rail in these areas during this period. This work will require short-term lane and ramp closures at the eastbound State Route 58 to Union Avenue off-ramp and the westbound State Route 58 to Chester Avenue off-ramp. Eastbound motorists who want to exit at Union Avenue can exit at H Street or Cottonwood Road and westbound motorists can exit the freeway at Union Avenue while closures are in effect.

Nighttime work scheduled for next week on sound walls along eastbound State Route 58 will also require closures of the two outside lanes in the eastbound direction, between Union Avenue and Cottonwood Road, from Sunday night through Thursday night between the hours of 9:00 p.m. and 5:00 a.m.

Construction work continues along State Route 58 during daytime hours, but is not expected to impact traffic. Motorists should stay alert while traveling through the construction zone and watch for construction vehicles and personnel that might be entering or leaving the roadway.

The California Public Utilities Commission (CPUC) would like to hear from you.

The CPUC will hold a series of Public Participation Hearings (PPHs) to hear your comments about Pacific Gas and Electric Company's (PG&E) 2017 General Rate Case (GRC) request to increase its rates, effective January 1, 2017.

PUBLIC PARTICIPATION HEARINGS

The CPUC will hold a series of PPHs at various locations throughout PG&E's service area. These hearings will be your opportunity to express your views on PG&E's GRC. The PPHs will be facilitated by an Administrative Law Judge (Judge) and oral comments will be accepted from the public. At each location, customer service representatives from PG&E will be present to assist with individual customer billing and service concerns.

ABOUT THE FILING

Every three years, PG&E is required to file a GRC with the CPUC. On September 1, 2015, PG&E filed its 2017 GRC application (A.15-09-001) requesting approval to increase rates to operate, maintain and upgrade PG&E's electric distribution, gas distribution and electric generation facilities. The CPUC will ultimately make a decision on what is reasonable for customers to pay in rates. The current CPUC approved revenue for 2016 is \$7.9 billion. If this request is approved, PG&E will increase revenue \$333 million in 2017, followed by an additional increase of \$469 million in 2018 and, in 2019, an additional increase of \$368 million. The cumulative total increase for the 2017-2019 GRC will be \$2.305 billion as compared to the current revenue amount.

PG&E sent a notice of this application to all customers, beginning in September 2015. The revenue requested in this GRC will be used to make the following investments:

- Upgrade the system of power plants, poles, wires, pipes and equipment needed to deliver electricity and gas to PG&E customers
- Increase safety in the operation of gas and electric facilities
- Modernize infrastructure to support clean technology and integrate resources such as rooftop solar, battery storage and other renewables
- Improve customer service support and provide customers with choice and control over their energy usage
- Continue improvements in emergency preparedness and coordination with public safety organizations

The GRC does not include fuel-related costs addressed in the CPUC's Energy Resources Recovery Account proceedings (A.15-06-001), electric transmission-related costs addressed at the Federal Energy Regulatory Commission, or gas transmission and storage (A.13-12-012) costs which are filed in separate applications.

CPUC PROCESS

As a party of record, the Office of Ratepayer Advocates (ORA) has reviewed this application. ORA is the independent consumer advocacy group within the CPUC with a legislative mandate to represent investor-owned utility customers to obtain the lowest possible rate for service consistent with reliable and safe service levels. The ORA has a multi-disciplinary staff with expertise in economics, finance, accounting and engineering. For more information about ORA, please call **1-415-703-1584**, email ora@cpuc.ca.gov or visit ORA's website at www.ora.ca.gov/default.aspx.

INFORMACIÓN SOBRE LA PRESENTACIÓN DEL CASO

Cada tres años, PG&E debe presentar un GRC ante la CPUC. El 1º de septiembre de 2015, PG&E presentó su solicitud de GRC 2017 (A.15-09-001) requiriendo la autorización de un aumento en las tarifas para operar, mantener y actualizar las instalaciones de distribución eléctrica, de distribución de gas y degeneración eléctrica. La CPUC finalmente tomará la decisión sobre lo que es razonable que los clientes paguen en sus tarifas. Los ingresos actuales aprobados por la CPUC para 2016 son de \$7.9 billones. Si esta solicitud es aprobada, PG&E aumentará sus ingresos por \$333 millones en 2017, seguido por un aumento adicional de \$469 millones en 2018 y, en 2019, otro aumento adicional de \$368 millones.

El aumento total acumulativo del GRC 2017-2019 será de \$2.305 billones en comparación con la cantidad de los ingresos actuales.

PG&E les envió a todos sus clientes un aviso sobre esta solicitud a partir de septiembre de 2015.

Los ingresos solicitados en este GRC serán utilizados para realizar las siguientes inversiones:

- Mejorar los sistemas de las plantas, postes, cables, tuberías y equipo de las plantas de energía, que sean necesarios para suministrar electricidad y gas a los clientes de PG&E
- Incrementar la seguridad en la operación de las instalaciones de gas y electricidad
- Modernizar la infraestructura para promover una tecnología limpia e integrar recursos tales como paneles solares de techo, almacenamiento en baterías y otros elementos renovables
- Mejorar el servicio al cliente y proporcionarle a la clientela opciones y control con respecto a su consumo de energía
- Continuar las mejoras en preparativos de emergencia y la coordinación con organizaciones de seguridad pública

El GRC no incluye los costos relacionados con el combustible mencionados en el proceso de la Cuenta de Recuperación de Recursos Energéticos de la CPUC (A.15-06-001), los costos relacionados con la transmisión eléctrica indicados en la Comisión Federal Reguladora de Energía, ni los costos de transmisión y almacenamiento de gas (A.13-12-012) que fueron presentados en solicitudes por separado.

PROCESO DE LA CPUC

Como parte registrada, la Oficina de Defensores de los Consumidores (ORA, por sus siglas en inglés) ha examinado la solicitud. ORA es un grupo independiente de protección del consumidor dentro de la CPUC con el mandato legislativo de representar a los clientes de las compañías de servicios públicos de propiedad de inversionistas con el fin de obtener la tarifa más baja posible por el servicio de manera consistente con niveles de servicio confiables y seguros. La ORA cuenta con un personal multidisciplinario con experiencia y conocimientos en economía, contabilidad e ingeniería. Para obtener información adicional sobre la ORA, sírvase llamar al **415-703-1584**, enviar un email a ora@cpuc.ca.gov o visitar el sitio web de ORA en www.ora.ca.gov/default.aspx.

OFFICE OF THE CITY MANAGER
MEMORANDUM

June 24, 2016

TO: Alan Tandy, City Manager

FROM: Chris Huot, Assistant City Manager *CH*

SUBJECT: Proposed FY 2016-17 Budget Questions from the City Council on June 6, 2016

	Question/Request	Councilmember
No. 4	Councilmember Maxwell expressed concern with staff's recommendation to eliminate the vacant Chief Code Enforcement Officer as part of the FY 2016-17 Proposed Budget	Maxwell

During the FY 2016-17 department budget presentations on June 6, 2016, Councilmember Maxwell expressed concern with staff's recommendation to eliminate the vacant Chief Code Enforcement Officer position in conjunction with the FY 2016-17 Proposed Budget.

Over a period of several months, staff from the City Manager's Office and Community Development Department reviewed different scenarios for reducing operational expenses as a result of the continued negative sales tax trending. After careful consideration, staff determined eliminating the Chief Code Enforcement Officer position to be prudent given the current fiscal environment.

Under most circumstances, eliminating vacant positions is the preferable to eliminating filled positions or the equivalent amount of non-personnel items. In many cases, such as the one that exists in Code Enforcement, a position has remained vacant for an extended period of time and operational responsibilities have been adjusted to continue to meet service level expectations. As the economy improves, eliminated positions are prioritized for restoration as funding becomes available.

Staff continues to recommend the elimination of the vacant Chief Code Enforcement Officer position in conjunction with the FY 2016-17 Proposed Budget.

MEMORANDUM

TO: Alan Tandy, City Manager
FROM: Nelson K. Smith, Finance Director
DATE: June 20, 2016
SUBJECT: Status Update on Parking Garage Revenues

Councilmember Smith inquired about the status of parking garage revenues since the conversion to the automated system. Attached is a chart that shows monthly revenue collections for the 2015-16 fiscal year. The automation project was completed on September 8, 2015. Due to the disruption and down time of the garage operations during the installation period, monthly customers were credited for part of the month. These credits were applied to their October 2015 monthly fees and you will see a slight reduction of monthly rent for that month.

Generally speaking, the total revenues for the operation have doubled since the installation of the new equipment. The majority of the new revenues are being collected from hourly or daily parkers. There has also been a slight increase in the number of monthly cardholders. Parking receipts prior to the conversion averaged about \$6,500 per month, with total receipts after conversion averaging \$13,000 per month.

Unfortunately, over the past few months there have been (and continue to be) multiple incidents of vandalism on the new system. The gate arms are the primary target. While they are designed to pop off when hit, there is a cost associated with re-attaching them and they have been damaged beyond repair a couple of times. The vandalism impacts are two fold because not only do we incur the repair cost, but we also lose revenue on those days when the gate arms are down.

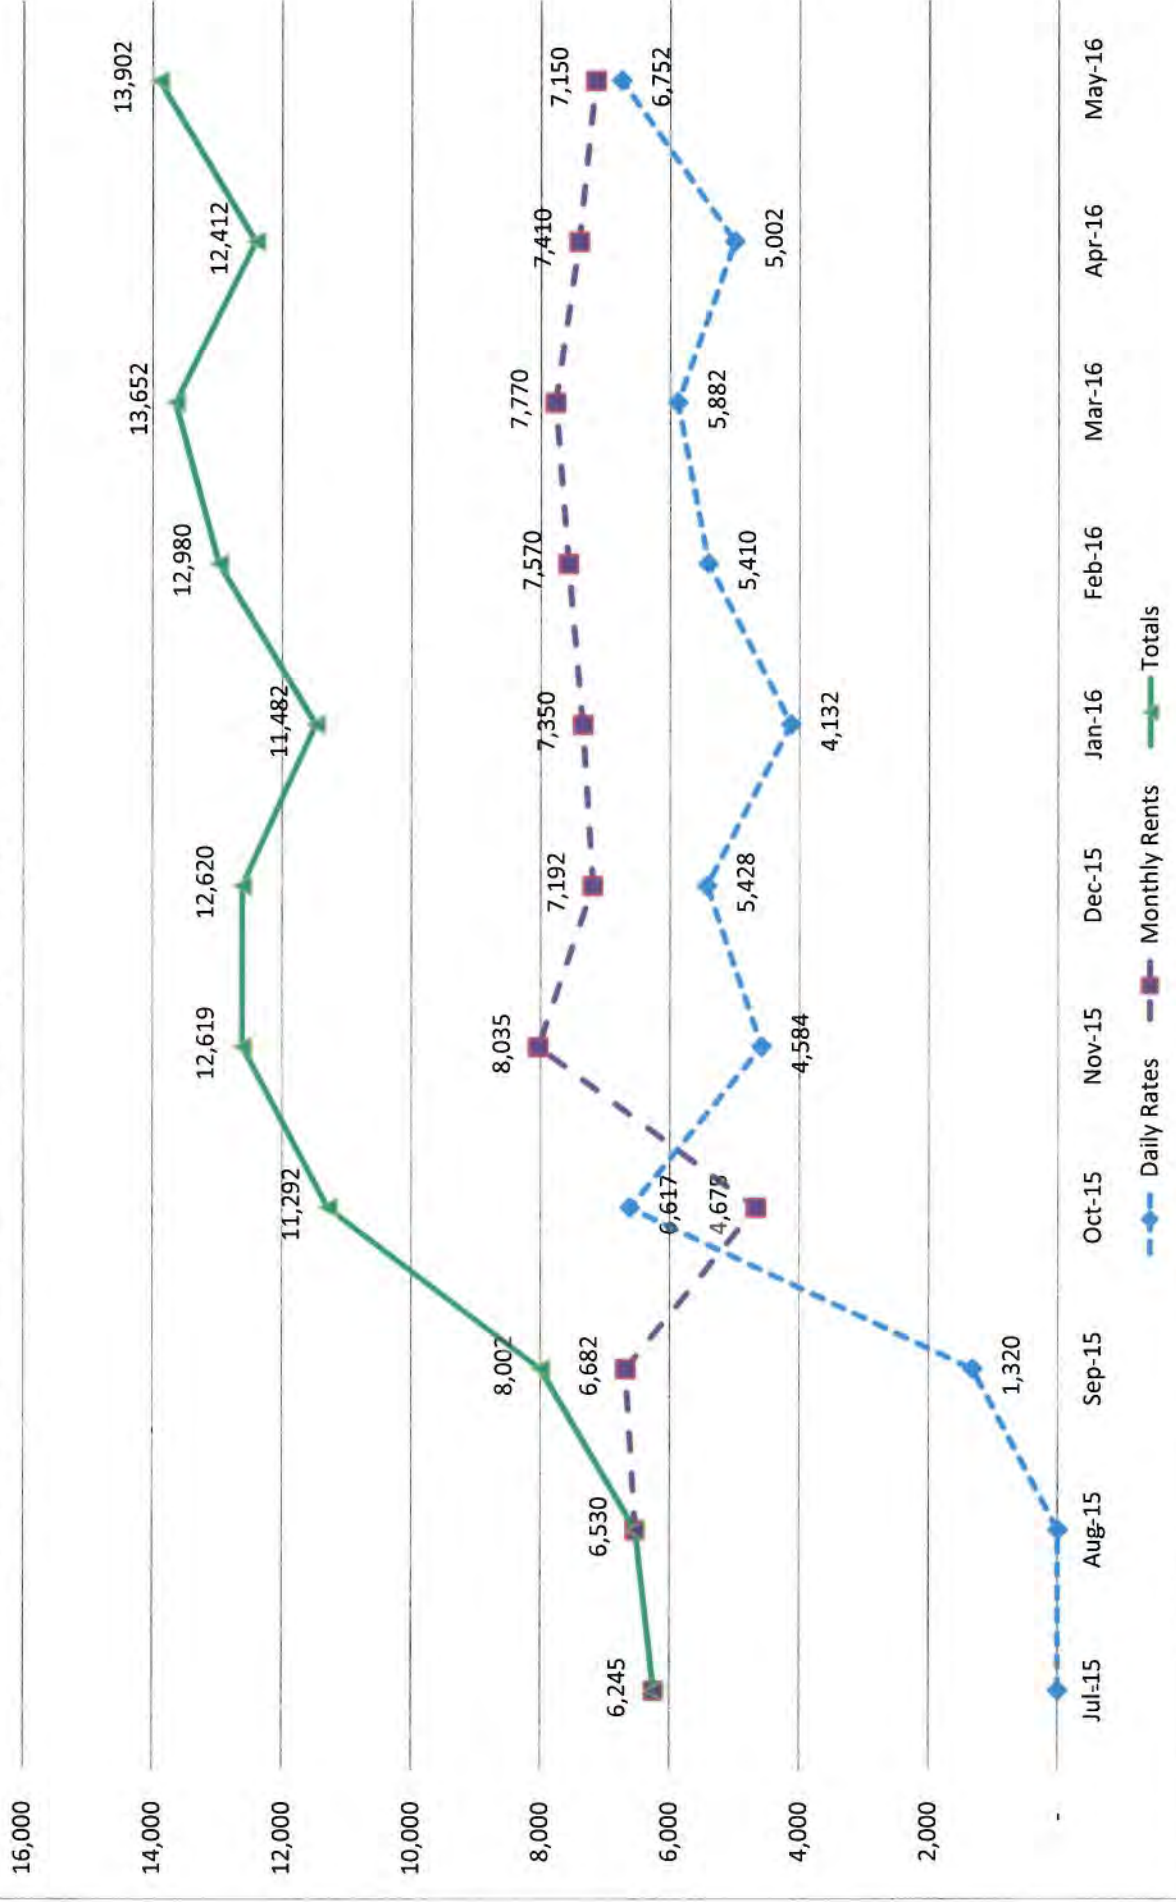

We are happy to report that the increased revenues will eliminate the need for future General Fund subsidy to pay for evening security and as funds accumulate we will have opportunities in the future to enhance the existing system components and/or increase the presence of security at the facility.

AT&T U-verse

June 16, 2016

RECEIVED

JUN 20 2016

City Manager's Office

City Manager Alan Tandy
City of Bakersfield
1600 Truxtun Avenue
BAKERSFIELD, CA 93301

Dear City Manager Tandy,

AT&T's contracts with programmers for the content displayed on U-verse TV® service periodically expire, or may be terminated, but are usually re-negotiated or extended with no interruption or change for our U-verse members. Additionally, from time to time it is necessary to change channel line-ups as well as television package contents. The programming changes set forth below may occur as follows:

August 2016:

AT&T's contract with the programmers for the following channels are set to expire. While these channels will continue to be available to U-verse members so long as AT&T has the rights to carry them, if a reasonable agreement cannot be reached with the programmers the programming will no longer be available. AT&T may modify the channel location for the programming by moving them from their current channel location to a channel between 9501 – 9599, and if a reasonable longer term agreement cannot be reached with the programmers, we may lose the rights to carry them (listed in alphabetical order) in or after August 2016: Bandamax (channel 3146), Centroamerica TV (channel 3044), De Pelicula (channel 3128), De Pelicula Clasico (channel 3129), Estrella TV (channel 3024), FOROtv (channel 3108), Galavision (channel 3003), Galavision – West (channel 3004), GMA Pinoy TV (channel 3683), IndiePlex (channel 914), RetroPlex (channel 916 and 1916 in HD), Ritmoson (channel 3149), STARZ (channel 902 and 1902 in HD), STARZ – West (channel 903 and 1903 in HD), STARZ Cinema (channel 908), STARZ Comedy (channel 910 and 1910 in HD), STARZ Edge (channel 904 and 1904 in HD), STARZ Encore (channel 932 and 1932 in HD), STARZ Encore – West (channel 933 and 1933 in HD), STARZ Encore Action (channel 938 and 1938 in HD), STARZ Encore Black (channel 942 and 1942 in HD), STARZ Encore Classic (channel 934 and 1934 in HD), STARZ Encore Espanol (channel 943), STARZ Encore Family (channel 944), STARZ Encore Suspense (channel 936 and 1936 in HD), STARZ Encore Westerns (channel 940), STARZ Kids & Family (channel 912 and 1912 in HD), STARZ inBlack (channel 906 and 1906 in HD), STARZ Movieplex (channel 909 and 1909 in HD), Telehit (channel 3143), tlnovelas (channel 191 and 3016), TV Dominicana (channel 3047), TV Japan (channel 3680 and 3681 in HD), UniMas (channel 3005), Univision (channel 3002), Univision Deportes (channel 658/3117, and 1658/3317 in HD), and The Word Network (channel 575).
