

OFFICE OF THE CITY MANAGER

October 14, 2016

TO: Honorable Mayor and City Council

FROM: Alan Tandy, City Manager *AT*

SUBJECT: General Information

Notable Items

- Good news! The City recently learned it will receive three grants totaling \$132,450 from the Kern Council of Governments for bicycle-related projects and activities, including:
 - Bicycle Lanes and Routes (Bakersfield College Area) – \$107,450

This grant includes installing 1.04 miles of Class II bicycle lanes and 7.87 miles of Class III bicycle routes around Bakersfield College. Collectively, the bicycle lanes and routes nearly complete the bicycle transportation network within the Bakersfield College area according to the City's Bicycle Transportation Plan. Also, the proposed improvements provide new routes and substantially close gaps adjacent to the Kern River Parkway. Attached is a map of the funded bicycle lanes and routes.
 - Bicycle Parking Racks – \$15,000

This grant includes purchasing and installing bicycle parking racks at various locations throughout Bakersfield. The bicycle parking racks may include the current decorative (bicycle-shaped) racks found in the downtown area. Additional styles may be considered as well.
 - Bicycle Education and Outreach – \$10,000

The grant includes partnering with Bike Bakersfield to conduct several community outreach and educational events to increase bicycle and pedestrian safety awareness and promote the benefits of bicycling for health and transportation. The events include safety lectures, interactive bicycle skills courses, bicycle repair stations, and helmet fitting lessons. Events can be tailored for youth and/or adults and may be held at parks, community centers, or schools.

- Congratulations to the winners of the 2016 Excellence in Action Award, Extra Mile Award, and the S.T.A.R. Award for their outstanding service to the City of Bakersfield. We thank Mayor Hall and the Council for publicly recognizing these employees' efforts.

- I will be on vacation beginning Tuesday, October 25th, through Wednesday, November 9th. Chris Huot will be in charge during my absence and will handle the Council meeting of November 2nd. The City Manager's Office has my contact information should that be necessary. Also, I will not be here the day after the election so an early congratulations to all the winners!
